Mr. Arthur G. Baggett, Jr.  
Hearing Officer  
State Water Resources Control Board  
1001 I Street  
Sacramento, CA 95814

Dear Mr. Baggett:

The National Wildlife Federation hereby requests permission from you, as officer of the State Water Resources Control Board hearing regarding Imperial Irrigation District's and San Diego County Water Authority's petition for a long-term water transfer, to add two witnesses to the witness list on our Notice of Intent to Appear for the Phase 2 hearing.

The National Wildlife Federation did indicate on the original Notice of Intent to Appear (submitted on February 25, 2002), that "additional witnesses may be designated prior to April 10<sup>th</sup>."

We do not believe that the inclusion of these two witnesses would be prejudicial to the other parties, especially since these additions took place before the deadline for serving the other parties our Notice of Intent to Appear.

Thank you for your consideration of this matter.

Sincerely,
